Giant inflatable soccer fields: 'The Pitch' and 'Titch'

Program details & online registration: www.footballfocus.com.au

Tournaments, small-sided games, schools/OSHC, community events, presentation days, parties & more

Inflatable Soccer

Giant Inflatable Football Fields complement Football Focus programs, promote the small sided game and maximize time on the ball within the confines of inflatable boundaries. Any venue, indoor or outdoor, with or without coaching. **Hire Only Available.**

For the serious player: A fast, multi-touch game, rewards skilful, creative play. Improves technique, tactical awareness plus movement on and off the ball. As used by super league clubs senior teams for 5-a-side preseason training.

For the beginner: Fun and motivational, frequent touch and continuous play increases development of basic skills.

Where the **ONLY** focus is **FOOTBALL**

Academy Soccer

The Football Focus Academy (School of Excellence) specialized coaching team facilitates youth soccer progression ensuring all players achieve their personal best.

Advance through progressive squads to the high level Elite Squad. Qualified and professional coaches with low player coach ratios ensure individual development in a team environment.

Year round training is facilitated in a fun but challenging and rewarding structured coaching environment.

Summer Soccer for Club players. Improve your skills and maintain your fitness during the long Summer break for a really strong start to the season ahead.

Players with the right attitude and ability are invited to trial in Europe.

FREE tryout sessions for new players

Squad training, talent identification, European trials
